

————— 56' Rivale —————

Riva always challenges the notion of what is “state of the art” in yachting. The 56’ Rivale is the newest star to shine in the galaxy of legendary Rivas. Perfect for those who love spending their holiday on the sea and those who enjoy unforgettable day cruises, the 56’ Rivale is unrivalled, gliding triumphantly through the shipyard's 175-year-old history.

Full of charm, power and technology, it immediately conveys elegance and sport. The sleek, glazed windows run seamlessly across the hull with flush portholes, enabling those on board to feel truly part of the sea, and the bold metallic of the exterior is joined with sleek steel elements and teak detailing. A further touch of style that distinguishes the Rivale: the unique windshield protecting the helm, a true blend of engineering and design resulting in a stunning aerodynamic profile.

Officina Italiana Design joined forces with Ferretti Group's Product Strategy Committee and Engineering Department, to create the completely new hull of the Riva's 56' Rivale.

The utmost attention to detail is classically Riva, using the finest materials, distinctive hallmarks of the brand throughout its history: from the high gloss mahogany of the interiors to the natural teak of the exteriors, from lacquered finishes to stainless steel details, and from mirrored and glazed surfaces to superior leathers, the legacy of all the stars that make up the universe of Riva is reflected in the new Rivale.

Alluring and potent, 56' Rivale is an unrivalled open cruiser of consummate verve and sporty panache, courtesy of some unique and ingenious design features. A fruit of the partnership between Officina Italiana Design and the Ferretti Group Engineering department, she is a fabulous distillation of all the qualities that have put Riva at the pinnacle of the yachting world.

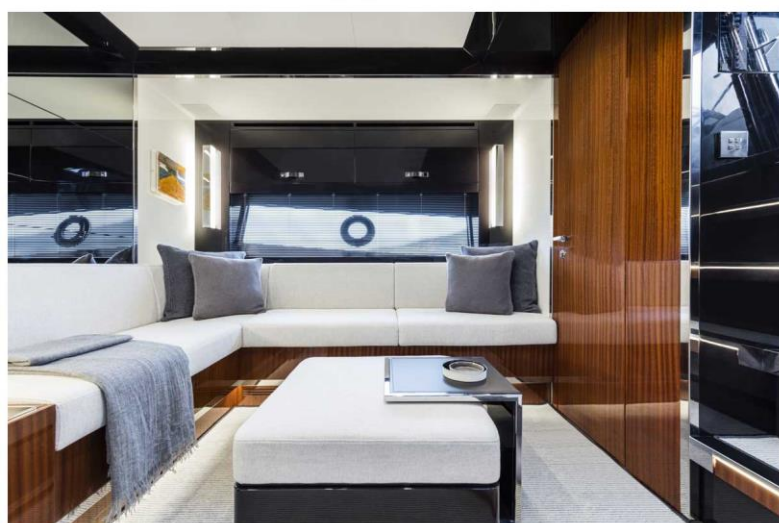

Peerless artistry, masterly craftsmanship and state-of-the-art technology come together in a yacht that immediately bowls over all comers. She is perfect for holidays on the waves and for savouring the Riva legend on unforgettable day cruises.

Riva 56 Rivale convinces with pure luxury and elegant design. The motor yacht offers a steering position with comfortable seats. Behind it is a nice sitting area with sofa and table. The bimini can be folded over the entire cockpit area and provides plenty of shade. On the foredeck there is a nice sunbathing area for relaxing.

The interior of 56 Rivale is also luxurious and inviting. The white floors harmonize very well with the dark tones of the furniture. This creates a nice contrast in the interior. The salon offers a fully equipped kitchen and dining table. It also has comfortable sofas and a TV with entertainment system.

A music system is available to the guests in the interior and on deck. The cabins are modern. The space in the two cabins is very good and in the beds it sleeps like on clouds. The luxury bathrooms leave nothing to be desired. For tempering the interior, the yacht offers both air conditioning and heating.
