

## ———— 76' BAHAMAS ————

The name Bahamas has long been part of the Riva story. It evokes the exotic glamour of paradise islands to explore aboard the boat of your dreams. This was the inspiration behind the 76' Bahamas – the second-ever convertible yacht, a remarkable motor boat combining the allure of timeless style with the cultured pleasures of innovative technology. No surprise, then, that this fast, elegant, super-high-tech, sexy open sportfly is the object of so many owners' desire.

With the 76' Bahamas the iconic Riva brand writes another page in the story of yachting. The art of yachting is enriched by a new masterpiece that brings together the charm of timeless design with the sophisticated pleasure of technological innovation.

This is the idea behind the patented “C-Top” system, which enables a yacht to be transformed from open to coupé mode and vice versa. On the 76’ Bahamas, it effectively doubles the comfort and fun to be enjoyed on board.

“Written into the 76’ Bahamas is Riva's current DNA: a perfect synthesis of history and tradition, of innovation and technology, of elegance and performance” says Alberto Galassi, Chief Executive Officer of the Ferretti Group. “The new convertible epitomises the synergy between excellence in yacht design and excellence in naval engineering that has produced a super sports boat. With graceful lines and rich in technical features, it is built using cutting-edge materials and sails like a dream. Owners will enjoy an unforgettable experience thanks to the sophisticated Mediterranean lifestyle offered by this yacht.”

## Accommodations – 3 Staterooms, 4 Heads, 1 Crew Cabin

The Riva 76 Bahamas features a master stateroom with en-suite bathroom. The VIP stateroom is also en-suite, while the guest cabin has direct access to the shared day head. Crew quarters include one cabin and one head, for a total of 4 heads onboard. For entertaining, she accommodates a total of 16 guests and crew in spacious comfort and style.
